

INTERNATIONAL YEAR OF ASTRONOMY 2009

Public Lecture Series Perth, Western Australia

The Astronomical
Society of Australia

This series of free public lectures celebrates the UN International Year of Astronomy which commemorates the 400th anniversary of the first use of an astronomical telescope by Galileo. The speakers chosen for this West Australian series have been selected by the Astronomical Society of Australia as leaders in their field who each have an exceptional ability to communicate the excitement of astronomy to the general public. We invite you to participate in this unique series of events.

23 July

Black Holes and Galaxies

Prof Reinhard Genzel, Max-Planck Institute for Extraterrestrial Physics, Garching, FRG & Department of Physics, University of California, Berkeley, USA

Time: 6pm | Venue: Alexander Lecture Theatre, UWA, Entrance 1 off Hackett Drive, Crawley

19 August

Is There More Than One Universe?

Dr Charley Lineweaver, Research School of Astronomy & Astrophysics/Research School of Earth Science, ANU

Time: 6pm | Venue: Social Sciences Lecture Theatre, UWA, Entrance 1 off Hackett Drive, Crawley

9 September

The Astronomy of Aboriginal Australians

Professor Ray Norris, Australia Telescope National Facility, CSIRO

Time: 6pm | Venue: Scitech, City West, Sutherland Street, West Perth

An RSVP is required for this lecture. Please RSVP your attendance to Scitech by email: bookings@scitech.org.au or phone 9215 0740

29 September

A Universe made for me? The anthropic principle in Astronomy

Prof Geraint Lewis, School of Physics, University of Sydney

Time: 6pm | Venue: Social Sciences Lecture Theatre, UWA, Entrance 1 off Hackett Drive, Crawley

14 October

Particle Astronomy – the Second Window

Dr Marc Duldig, Australian Antarctic Division

Time: 6pm | Venue: Bankwest Theatre, Building 200, Curtin University of Technology, Bentley

4 November

From Mars to Earth: a journey fostered by Science, Technology and Fascination

Dr Paulo de Souza, Tasmanian ICT Centre, CSIRO

Time: 6pm | Venue: Social Sciences Lecture Theatre, UWA, Entrance 1 off Hackett Drive, Crawley
